Is it really time to put away our summer fun beach chairs and all that goes with it? I am hoping for a prolonged summer leading us in to an Indian Summer...I can dream, right?!! These months fly but leaving us thinking did we accomplish everything we wanted to? Maybe yes, maybe no, let's keep positive vibes for great weather!!

Our September meeting will be an interesting segue to our Psychic Night...Tommy Lynch will be our guest for the evening sharing his story of what inspired him to share his psychic talents with the world. Plan on joining us at Conca D'oro on Lacey Road in Forked River.

Our major fundraiser for this year will be our Psychic Night on Friday, September 27th at The Captain's Inn in Forked River. We are hosting four psychics for the evening... Tommy Lynch will be with us and he is bringing a guest psychic!! Also Kasandra and Harold from Charmed in Company, from Waretown, will be with us to read your cards, readings and enlighten you about your future. Mark the date on your calendars.

We all can not help but hear about what's going on with voting for 2020. This may be a good time to think what we can do as sisters and individuals to help get the voters out...not being political here however everyone needs to be counted!! Think what you can do to assist. I myself am going to apply to be a census taker. This is something I can do and feel dedicated to help our state and nation. I will keep you all posted as to how this works and if I am accepted. Let's see what develops!!

Looking forward to seeing you all at our meeting on Tuesday, September 10th.

There are no September birthdays.

DUES TO \$75.00.**

At the last meeting we voted to increase our annual dues. This will help with Sunshine funds (where we give a check toward any member having an upcoming event, such as a wedding, engagement, hospital stay/operation, or passing of a family member. Also, due to the cost of our dinners and the change of venue along with having Guest Speakers, where we cover their cost for dinner - this will help with this. The intention is that we do not have to shell out any additional monies during the year except of course, if you wish to donate toward the annual Holiday Charity and or anytime toward Scholarships - as these are our 2 main staples that we work toward each year. In between, we are about working together, supporting each other, helping each other and have some fun with the women we like and enjoy spending time with.

we're sending wishes to get well or sympathy.

All the best wishes to everyone and thank you for your thoughtfulness!

SOMETHING REMARKABLE

Ladies,

I have to share something with you that is nothing short of remarkable. As much as we are colleagues in business and professionalism, we are also friends.

I have been desperately trying to clean out the garage of old things from my life prior to my head injuries but it has

been so hard because every time I touch something it is like my body gets shocked by a memory my mind can't grasp. My amnesia wiped out all memory prior to age 20 but we are seeing some changes in that.

Well today....I discovered something that made me truly believe we are led to where we belong. I encourage you to look at the attached photos to see that BPW awarded me a scholarship in 1998 when I was graduating high school.

This is a truly remarkable find. It was an honor to begin with to become president of the group but the meaning of it just compounded. Thank you for supporting me then and for supporting me now.

Computer Tips:

Recycle Bin

The Recycle Bin has been a part of the Windows Operating System from Microsoft, since Windows 95. You probably already know that when you delete a file or folder, it goes into your Recycle Bin. So, you basically get a second chance to restore that

file or folder that you may have deleted by mistake. In time this Bin can grow large. While you can empty the contents permanently by right clicking on it, and clicking "Empty Recycle Bin", you can also empty it by using the Disk Cleanup tool. Now, a new feature called "Storage Sense" came into effect with the Windows 10 Fall Creators Update. To enable this feature, open Settings, click on System, then click on Storage. Click on the "Configure Storage Sense" link to enable the automatic cleanup options or your choice.

Thank you, Lisa G.

4 Tips for Finding the Job You Want

We all want to find the career of our dreams. The question is: Where do you start? We asked five AAUW Fellows and Grantees who have excelled across a range of professions to share their advice.

A key theme was to believe in yourself. “I wish I knew it was OK to apply for ‘stretch’ jobs — jobs where I couldn’t necessarily check off all of the prerequisites but knew I would rise to the occasion if given the opportunity,” said Kristen Johnson, a civil rights attorney with the NAACP Legal Defense and Educational Fund and AAUW 2012–13 Selected Professions Fellow. “By not applying, I didn’t even give myself a shot!”

Two-Minute Activist: End the Student Loan Crisis

As of early 2019, women hold almost two-thirds (\$929 billion) of the country’s \$1.46-trillion student debt, according to AAUW’s report [Deeper in Debt: Women and Student Loans](#). Women borrow more, and because of the gender pay gap, they also take longer to pay off their loans. “Student loan debt is very much a women’s issue,” says

Kim Churches, CEO of AAUW.

Tererai Trent

She’s so compelling that Oprah Winfrey picked her as her favorite guest from the more than 30,000 people she interviewed over 25 years. Now 2001–02 AAUW International Fellow and 2017 Alumnae Recognition Awardee [Tererai Trent](#) — scholar,

In August, a life-size statue of Trent will be unveiled by [Statues for Equality](#) in New York City alongside sculptures of Winfrey, author Cheryl Strayed, Olympic gymnast Gabby Douglas and others.

Trent grew up in a cattle-herding family in rural Zimbabwe. By the time she was 18, she had four children and lacked a high-school education. As a featured speaker at AAUW’s recent [NCCWSL](#) conference, Trent described her journey from poverty to Ph.D., and how she helped rebuild 11 schools in Africa. “Those girls will be the first to break the

cycle of poverty. They won't be silenced. They are going to be champions of this world."

Greetings

What is it like to be 100 years old? Our storied organization turns the Big Century Mark in 2019!

To start the historic countdown, here's a timely factoid in honor of Women's History Month: While mobilizing for World War I, the U.S. government recognized the need for a cohesive group to coordinate identification of women's available skills and experience. A Women's War Council was established to organize the resources of professional women. As a result, the National Federation of Business and Professional Women's Clubs was founded on July 15, 1919.

For the past 98 years, BPW has made great strides in the workplace, illuminating and supporting such issues as the elimination of sex discrimination in employment, the principle of equal pay, and the need for a comprehensive equal rights amendment.

None of this could have happened without the enduring passion and support of our dedicated members. Now, more than ever, your critical voices need to be heard.

You represent the hearts and minds of professional women all over the country, so please keep marching strong for your rights and pave the way for sisters to come!

Onward,

Roslyn Ridgeway, Chair
Board of Trustees
Business and Professional Women's Foundation

To my BPW sisters across the nation:

I'd like to take a minute to tell you more about an exciting new feature that just launched at www.bpwfoundation.org – our very own BPW Community Page!

This interactive hub provides state federations, local organizations, as well as individuals, a wonderful opportunity to start a dialogue, voice a comment and basically share things that matter to working women across the country.

Signing up is simple and painless.

1. Go to www.bpwfoundation.org homepage and click on the Register link at the bottom of the Community Login section under “Get Involved”
2. Fill in the required fields.
3. When you're finished, click “Register”.
4. That's it! Your registration confirmation should be sent to you shortly at your email address.

After that, just enter your username/email and password under Community Login anytime you want to post or read about what other hardworking women are talking about.

Here's something more.

As a leader of your local organization, you'll be able to offer your members a brand new way to develop national business networking and information exchange. On a purely social level, everyone can have fun uploading pictures and sharing stories.

But we need to spread the word! I urge you to talk to your members and friends, forward this email and ask all to join us on the BPW Community Page. Many of you have state conferences scheduled over the next several weeks. Please make this announcement at conference and help members sign up on the spot. Post pictures of your conference highlights as one of your first shares. Together, we can make “Working Women Unite” a robust reality.

Thanks for your continuing support,

Roz
