Join us for a wonderful networking opportunity. Bring your colleagues, friends and future members with you.

As part of our membership privileges we are given a chance to let our sisters know what we are doing in our businesses so,

Greetings!

Happy New Year Everyone!!!!

May this be one of our best ever, for all of us personally and for SOCBPW

I need your help --- we have a wonderful event planned for April. We are having our first ever professional performance by Emmy Award winning actress, Elaine Bromka, who will perform her one-woman show, "Lady Bird, Pat & Betty, Tea for Three" on April 28th. Cost of the ticket is \$45. The price includes the show, coffee, and dessert!!!

Where I need your help is to spread the word. We want to sell 100 tickets to cover the expense of the show and make enough profit for the scholarship we give out this year. The plus to this is that we would not have to work as hard to make up monies for the scholarships and we can plan events for "fun!"

Now I don't know about you, but when I have less work and more fun I can be a very happy lady! So please come to our meeting in January and pick up some of the flyers to spread the word as fast as we can. Rosalind has worked very hard in putting this together and we need to

members, please bring any literature to share.

RSVP to Rosalind Silletto at 732-961-6435 or [via email.](#)

\$17 includes dinner

January Birthdays

1/1 - Rosalind Silletto

1/8 - Clareann Barks

New members, if you have a birthday in January or in the following months, please let me know so that you will be recognized.

Thought for January:

A happy New Year!
Grant that I
May bring no tear to any
eye
When this New Year in
time shall end
Let it be said I've played
the friend,
Have lived and loved
and labored here,
And made of it a happy
year.
~Edgar Guest

Another January thought

The proper behavior all
through the holiday
season is to be drunk.
This drunkenness
culminates on New
Year's Eve, when you
get so drunk you kiss the
person you're married to.
~P.J. O'Rourke

step up and help make this a success.

We had a great year last year and this one will be better just from the way I am seeing everyone bonding together at meetings and stepping up to offer their help. You make me so proud to be your leader and I have just recently heard from someone that attended our dinner in May; the comment to me was "what a great group of women --they made me feel so welcome -- I wish I lived closer as I would definitely join your group." So for that I say thank you ladies for all you do and continue to do for Southern Ocean County BPW.

May you all have a wonderful year filled with health, happiness and if possible -- wealth!!!

Sincerely,

Penny Miller,
President

Price Change for Dinner

At the October 2011 meeting, a motion was made to increase the price of dinner by \$2.00. The reason for this is that BPWSOC makes no money on the dinners and we would like to be able to put more money in our account for future events.

So the extra \$2.00 will go into the BPWSOC general account beginning in January.

Thank you.

Another Great Fundraiser Event

BPWSOC is proud to announce that we have contracted with emmy award winning actress, Elaine Bromka, to perform her one woman show "Lady Bird, Pat & Betty: Tea for Three." This event will take place on April 28, 2012 at Kristy's Casual Dining.

Tickets are \$45 and proceeds will go to the BPWSOC Scholarship Fund. The show begins at 7:00pm and will be followed by dessert and coffee.

Written by Eric H. Weinberger with Elaine Bromka, and starring the Emmy Award-winning Ms. Bromka, the play is a witty and intimate re-imagining of three women who suddenly found themselves celebrities -- a behind-the-scenes look at Lady Bird Johnson, Pat Nixon, and Betty Ford, revealing the personal cost of what Mrs. Nixon called the "hardest unpaid job in the world."

Touring the country, Tea for Three has been critically acclaimed for its blend of humor and passion, cited as "marvelous, poignant" (The Star-Ledger, Newark, N.J.) and "a fascinating evening, laced with insight, emotion and humor... brilliant acting" (The Record-Review, in Westchester County.)

We look forward to all our members attending this event and to sharing the news with their family and friends. We hope to have a great turnout and raise money for our scholarship fund.

Guest Speaker

Lisa's boss, Evaristo Stanziale, has accepted our invitation to speak at our January 10th meeting. He will talk about Business/Entrepreneurship/and such.

As businesswomen, I'm sure Evaristo will have some interesting insight into what it takes to run a business and helpful hints to make our businesses more successful.

Come on down and let's make our first meeting of 2012 a great success and show Evaristo what we're all made of.

BPWNJ VOICE

Did you know that you could advertise in the BPWNJ Voice and reach our sisters throughout the State with your business? Yes, for \$25. (the smallest ad) your business can expand...need I say more?

Don't miss out on this chance to promote your business. To find out more information, check your recent copy of The Voice, or email Lauren Simeone Berman at lesimeone@verizon.net for size and cost of advertising.

If you would like to receive your copy of the Voice electronically, send an email to Lauren at the email address above and ask her to put you on the electronic email list. By doing so, you are helping BPWNJ save on the cost of mailing the Voice out to members.

PC Tips by Lisa G., A2Z Computer Help

Laptop power cords:

It is very important that you use the manufacturer's authentic and supplied power cord for your laptop. These power cords work in conjunction with your battery. The power cord for your laptop contains the AC adapter power unit that is necessary for charging your battery and you cannot use just any power cord and get the same results.

The power flow is dictated by the power cord and the AC adapter power unit (or the big "power brick"). Not using the correct power cord can damage the battery and its ability to hold a charge. Also, you may experience power surges with your computer circuitry along with data corruption too. If you find that you lost your power cord or it is damaged or your battery is not holding its charge - it is important that you replace these with the correct models for your computer.
