"CATHY'S LAW" A-2274

A CALL FOR THE LEGISLATURE TO PROTECT THE RIGHTS OF ACCIDENT VICTIMS AND THEIR FAMILIES

- PETITION DRIVE -

The undersigned support Assembly Bill 2274 to prohibit first responders from disseminating photographs or posting videos online of accident victims and patients without their consent. State law must be amended to protect victims and their families' right to privacy. First responders should only be permitted to make public photographs or videos of these incidents if given permission by the victim or their family. We call on the Legislature to act swiftly on this legislation.
