Greetings BPW Sisters:

Well we have made it with only one non-event snow storm this year; think we can keep our luck going? I sure hope so -- I know the kids love it and so do some adults - and if I had to admit it I like it to look at.

We have our next meeting the day after Valentine's Day so please make sure that you note the change on your calendars and make sure to give that special someone in your life a hug and kiss on Valentine's Day compliments of BPWSOC.

Our board meeting is coming up for BPWNJ and it is very important that every member try to be in attendance. That is the way to learn about this great organization we are a part of. You will also be supporting two of your sisters that will be stepping up in office positions for New Jersey. So please do all you can to attend this meeting on Saturday, February 25 at Brookdale Community College. Information was sent to you in *The Voice*, that you should have received by now, but I will bring some copies to our February meeting.

We have our show event coming up in April and Rosalind has put a tremendous amount of work and effort into this.

you.

As part of our membership privileges we are given a chance to let our sisters know what we are doing in our businesses so, members, please bring any literature to share.

RSVP to Rosalind Silletto at 732-961-6435 or [via email.](#)

"Friendship is certainly a finest balm for the pangs of disappointed love."

~Jane Austen

"Friendship is like money, easier made than kept."

~Samuel Butler

"A friend can tell you the things you don't want to tell yourself."

~Frances Ward Weller

We now need to step up and help.

Don't forget that we need you to take some flyers for posting in businesses where you shop at to get the word out and to increase attendance to the event. Our goal is 100 and I know that we can do it as long as we put some effort in to it

At our last meeting those that were in attendance received their renewal forms for membership dues and those that were not should have received them in the mail by now. Please note that if you are having financial difficulty and paying your dues in a lump sum is an issue that might cause you decide not to renew -- we have a policy in place for you to work out a placement plan. All you need do is contact, Mary Baldelli, our Treasurer to discuss this. We never want to lose a member due to a hardship that we could help with.

I have also sent letters to members that do not attend meetings requesting they come to them or at least share with me what the issue is that is keeping them away. We cannot fix what we know nothing about, so please make sure that you let me know what I can do to get you to come back to the meetings.

Another letter was sent to former members that did not renew their membership as I would like to know why they left. I guess that is the management training in me -- good customer service brings in customers. I never want to lose a member if there is a way to make them happy.

I will do all I can to make our meetings fun and enjoyable. We have some great speakers lined up and I am sure that you will find them very interesting.

So please do all you can to attend our meeting on Wednesday, February 15.. Also please wear red for women heart issues. Let's see how many of us can be dressed to the nines in red!!! Then we could all be called "Ladies in Red." See you at the meeting. Your fearless leader!!!

Sincerely,

Penny Miller,
President

BPWSOC is proud to announce that we have contracted with emmy award winning actress, Elaine Bromka, to perform her one woman show "Lady Bird, Pat & Betty: Tea for Three." This event will take place on April 28, 2012 at Kristy's Casual Dining.

Written by Eric H. Here is a copy and I am [sharing a link with you, direct from Microsoft](#). Of course, if you have questions and wish to speak to a live person, feel free to contact me anytime and if I do not answer immediately, I will get back to you in a timely manner.
