\$15 includes dinner

Our December Holiday celebration was a short one; our guests from the Harbor House, Toms River, were not able to stay for dinner as they had obligations to the children that are without homes and needed to attend to those responsibilities. This was extremely disappointing to hear, as our members were eager to hear how we could assist and participate with this organization for future projects.

Harbor House's Executive Director, Mr. Sid Colvin, will be joining us for our January meeting to educate us on Harbor House. I do hope that you all will plan to attend this meeting on Tuesday, January 11th at The Ocean Breeze Diner in Waretown.

Attendance is part of your membership, so let's see everyone in January!!

Cyndy Friedland,
President

At the April, 2010 meeting it was decided that the dues going forward will be \$50.00 a year. Beginning April 1, 2010 all members are asked to renew their dues. You should have received a bill showing your amount due to extend your period of membership to April 10, 2011.

Future Fundraiser

Your Executive Board is working on a fundraiser... A **Psychic Fair**...the plan is to hold this in April with several mystics attending to tell us our futures; if we are so inclined to know in advance what lays in store for us!! We will also invite our members to host a table to support their businesses. If space allows we will open the vendor spaces to non-members. Table prices will be announced as the event unfolds.

Other Business

Your Executive Board is also working on revising our By Laws for a presentation at our February meeting. It is important for our organization to abide by "the rules", so again, please make it your business to attend on Tuesday, February 8th.

Our BPW State meeting will be held on Saturday February 26th at Brookdale Community College. Support is needed at the State level. Our officers do attend, but this is open to our local members also. You can find more specific information in The Voice publication that is coming out shortly.

Members, did you realize that you are able to advertise your business on our web site? Check in with Lisa Gambino to find out how to do this. Here is a member's perk that you can take advantage of, and it's free!!

PC Tip

To clean your LCD monitor (read your LCD manufacturer manual), first unplug your LCD power from the electrical outlet, never use a dirty cloth, never spray any cleaning fluids on the LCD screen and never use paper towel to dry it. ALWAYS use a dry cotton cloth to clean the fingerprints and dust on the LCD screen. You can use a lightly (water) dampened soft cloth if you feel your screen needs it and be sure to let it air dry thoroughly before plugging the LCD monitor power back into the electrical outlet.
