Although I am not officially your president yet, I want to take this opportunity to say *Thank You* to Penny Miller for her service to BPWSOC.

Penny is extremely dedicated and very committed to the success of not only BPWSOC, but BPWNJ as well.

She has served us well as our president for the past two years and under her guidance BPWSOC has been able to move forward as a great organization.

I for one want to personally say *Thank You* to Penny for her guidance, direction and leadership.

I have big shoes to fill and I look forward to everyone's help in taking BPWSOC into the next phase of being the organization women turn to for assistance and mentoring.

I hope to see you all at the meeting tomorrow evening.

Thank you and be well,

Rosalind Silletto

Thought for July

"While I know myself as a creation of God, I am also obligated to realize and remember that everyone else and everything else are also God's creation."
--Maya Angelou

"I can't tell you how to succeed. But I can tell you how not to: Give in to the shame of being rejected."
--Kathryn Stockett, writer of the best-selling novel *The Help*, which was rejected 60 times before being published

Meeting With Assemblywoman Diane Gove

Cyndy Friedland and Mary Baldelli met with Diane Gove, the assemblywoman for the district to discuss how BPWSOC can become more involved with legislative issues that affect women.

Cyndy said that we could become involved as mentors to teenage girl scouts in helping them prepare for the working world. This is a great idea because it has broader implications for BPWNJ as well. More will be looked into on this aspect of helping young women, who would make wonderful members for the future of BPW.

PC Tips by Lisa G., A2Z Computer Help

PC Tip

Its hot! Electronics, computers, and anything that is

connected to electricity gets hot too! All of these great gadgets and devices need to cool down, just like we humans do.

My tip and/or advice is to take advantage of the heat and run a full antivirus software scan and once it is finished, shutdown your pc. Unplug all other devices and give your electronics a break. This will help keep your computer room cooler and protect your equipment.

As for you, rest, relax, put your feet up or go to the beach or a pool and have fun!

Thanks and have a great summer!

BPWNJ VOICE

Did you know that you could advertise in the BPWNJ Voice and reach our sisters throughout the State with your business? Yes, for \$10. (the smallest ad) your business can expand...need I say more?

Don't miss out on this chance to promote your business. To find out more information, check your recent copy of The Voice, or email Lauren Simeone Berman at lesimeone@verizon.net for size and cost of advertising.
